A small school with a big outlook...

A message from Mrs. Scholz

The festive spirit is in full swing at school now and we are feeling very Christmassy. Everyone had a lovely time with our friends from Calder Vale St. John's School at The Barn on Wednesday for our Christmas lunch. Olaf came to join the fun too! We are so grateful to the amazing staff there who make us feel so welcome. We hope to see everyone at our Nativity performances next Wednesday!

Lead Learners

Bowland Star of week - Nelson Walls- Nelson has been a shining star in every way this week AND a very funky camel with some great moves. Well done Nelson!

Grizedale Grizedale's lead learner is Ivy. Ivy has tried so hard when practising her solo in the play in front of the whole school - we are really proud of her.

Nicky Nook Sophie has created an amazing piece of writing that demonstrates her learning in History. Her behaviour for learning is incredible and she always tries her absolute best!

News from our classes

Bowland

This week Bowland have been super busy singing and acting. We have super sheep, crazy camels and shining stars. They can't wait to perform in front of an audience and have impressed everybody with the listening, singing, bravery and all round general behaviour. Pre-School have been very busy making toys in Santa's Workshop. Well done Bowland!

Grizedale

This week, Grizedale class have really enjoyed practising our school nativity. It is really coming along and we can't wait for everyone at home to come and watch next week! In class, we have continued our learning on modern day prophets, including Eric Liddell, Harriet Tubman and Jesse Owens. Next week, we will start thinking about what we would like to stand up for or against if we were a modern day prophet.

Nicky Nook

Nicky Nook have continued to make fantastic progress with Big Maths this week and we have achieved lots of promotions again this week! On Wednesday we joined our friends from Calder Vale to share Christmas lunch at the Barn. To complete our history unit on the Maya we have created a fantastic cross-curricular write which showcases our learning.
