## A message from Mrs. Scholz

It's beginning to look a lot like Christmas! The stage is going up in church next week and rehearsals are well under way. Mrs. Taylor and Miss. Fontenell, our costume mistresses, have been busy sorting out everyone's outfits and we are all getting very excited about sharing our performance with you!

Please look out for photos of our Christmas Choir at the Corn Mill Care Home and Bowland Class on their trip to Judge's Lodgings!

## News from our classes

### Bowland

What a fun week of learning for Bowland Class this week! They have continued to learn all about The Christmas Story and on Monday enjoyed a puppet show about Christmas delivered by NISCU. They have learnt to sing our new songs for Nativity SO well and can't wait to be camels, sheep and stars... everybody has been so brave in rehearsals. On Thursday they visited Judges' Lodgings to learn all about a Victorian Christmas. They remembered so much about Queen Victoria and loved finding about Victorian games, toys, crafts and especially Father Christmas' Victorian stocking.

### Grizedale

This week we have been busy rehearsing for our Christmas nativity! We have been learning some very very catchy songs and getting familiar with our lines and some of the staging. We are very excited to keep getting better and better at our parts! We have also been loving our class novel, Dragon Mountain and have been listening very intently to find out what happens to our four main characters. In History, we took part in an artefact relay to learn about Sir Howard Carter and his discovery of Tutankhamun's tomb.

### Nicky Nook

We have started our nativity rehearsals this week and are busy perfecting our acting and lines. In Big Maths we could not believe how many class members were promoted this week! Following the Mayan workshop last week we have been using sources and evidence to deepen our learning.

## Lead Learners

**Bowland** Agnes has amazed everyone in Bowland Class this week! She has been super smiley, confident, so kind and a wonderful learner and friend to have in class. She couldn't have tried any harder... well done Agnes!

**Grizedale** Lead learner this week is Evie. Evie is such a 'pilot' with her learning. She is always pushing herself to do her best and continue to improve. She always does everything that is asked of her and more. She displays excellent active learning in class and is a role model to others. Well done Evie!

**Nicky Nook** Heidi is the lead learner for Nicky Nook this week. I have been incredibly impressed by her behaviour for learning and the way she always tries her absolute best. Heidi has written a fantastic tour guide of a Mayan city!
