A small school with a big outlook...

4

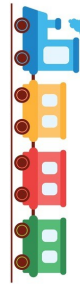

A message from Mrs. Scholz

We have been enjoying the Autumn sunshine this week and Bowland Class have been identifying leaves in our forest and using them to make some beautiful artwork. Grizedale Class have been writing some A-MA-ZING stories and working on beautiful handwriting.

Nicky Nook are sending letters to inspirational people and hoping that they write back—we will share any letters we receive with you too!

There's still time to send in your donations for the spooky disco so please support us if you can!

News from our classes

Bowland

This week Bowland Class have been Autumn Detectives! They identified leaves from deciduous trees and made beautiful autumn collages. Cora was a resourceful racoon and made an autumn bunny! The children loved remembering their learning about materials and are becoming experts at using our special words! Sidney sent in a brilliant video of them with actions on Dojo! Everybody has got better at spelling this week and the KS1 are planning an innovated version of The Train Ride. Thank you to everybody who sent in photos of train journeys. EYFS have orally innovated the story and could see giraffes, diggers and even lions! In Maths we have been adding... Dougie amazed us with his doubles!

Grizedale

Grizedale have WOWed with their writing this week! We have been completing our model write on Rumasya and have created a class character description for the villain, Cordelia. She is a formidable and sinister witch who isn't very kind to our main character. All of the adults in class have been so impressed with our beautiful handwriting and the way we used our writing skills so well! We have also been learning about some big feelings this week using a story called The Grand Hotel of Feelings. We thought about the different colours we would give to our emotions and why we all chose different ones.

Nicky Nook

This week we have loved investigating circuits in science. We can draw circuit diagrams with components so anyone could follow them and copy our circuit. In English we have written letters to inspirational people we have read biographies about. We edited them very carefully and used our best handwriting. We attempted some tricky problems in maths and started to practise formal methods for multiplying.

Lead Learners

Bowland Sidney for being an awesome learner every day. Sidney is such a role-model for our younger children in every way

Grizedale Grizedale's lead learner is Romilly. Romilly has had a fantastic week. She has shown amazing 'active learning' in class. She has had her hand up lots to answer questions and has really pushed herself with her learning: producing a great branching database in Computing and working really hard on her targets from Big Maths. Well done Romilly!

Nicky Nook Iris has had an incredible week of learning. She has been a role model in every aspect. Her letter was thoughtful and carefully structured. She has been a kind talk partner. Well done Iris!

Please support one of our ex-pupils, Finn, in his appeal to raise £10000 to support Teenage Cancer Trust and rebuild of Finn's cricket club (Shireshead & Forton CC)

In November 2024, Finn, one of the club's leading junior players, and Cumbria U14 captain was diagnosed with an aggressive malignant brain tumour.

Since then, Finn has had 4 major brain surgery operations and completed 4 months of chemotherapy and 3 weeks of intensive radiotherapy. He is currently undergoing physiotherapist and occupational health support, hoping to return to playing cricket. He is yet to return to full time schooling.

During his time in hospital Finn had incredible support from his medical team, including the Teenage Cancer Trust. They helped him through the most difficult times imaginable. The support he has had from the cricket community, family, friends, school and the TCT has been simply phenomenal.

We will be holding a Cake & Craft Sale on Friday 17th October at 3pm to raise money in support of Finn's appeal. Please let us know if would like to make a cake or craft donation and put the date in your diary!

Our School Association Spooky Disco is on Friday 17th October-we hope you will be there!

Please could you send in sweet packet donations next week so we can make sweetie cones to sell?

Any kind of jelly sweets would be perfect-thank you!

Early Reading and Phonics

Our Reception children have started their phonics journey and are already making brilliant progress!

Mrs. Pollitt is running a 'Phonics Drop In' on Wed 1st October -3:30-4:00pm for any Reception parents and carers who would like to find out more about how we teach early reading -

Please come and join us!
