A small school with a big outlook...

A message from Mrs. Scholz

We have been thinking about PEACE this week in worship time and how we can be peacemakers in school. We learnt that jelly babies were originally called Peace Babies and were created to celebrate the end of WW1.

We have set a date for our Harvest Service in church (please see the diary dates over the page) - we hope you will be able to come and join us. Please save the date for our Christmas performances too which will be here before we know it!

Please can you make sure your child has a waterproof coat in school as we have been caught in a few showers this week at playtime!

News from our classes

Bowland

This week Bowland Class have been learning all about Dear Zoo! Year 1 and 2 used puppets to innovate their own story with fierce sharks and fearsome dragons! In Art we created sculptures in the style of Andy Goldsworthy and even explored the work of Mudlarker Nicola White. We made a huge creation on the playground and we were Reciprocity Rabbits! In Maths we have been making and breaking numbers all the way to 100!

Grizedale

We have had a busy week this week! In Science, we have conducted an investigation to find out how different liquids might impact our teeth (if we didn't brush them) and have already seen some very interesting and unusual results! In History, we have started our new unit all about Ancient Egypt and have travelled back to 3000BC to learn about Egyptian writing and mummification. We also loved playing dodgeball as our new sport in PE.

Nicky Nook

We have had a fantastic week in Nicky Nook. After enlarging our dog pictures using the grid method we then collaged them and added our own features. The dogs are now displayed all around the classroom. We had to be extremely resilient when we tried to make them stand up! We have continued to read a wide variety of biographies including Bear Grylls, Riya Karunmanchi, Greta Thunberg and Brian Cox. In maths we are working hard to master rounding numbers. We have used number lines, games and counters to help us.

Lead Learners

Bowland

Aurelie is our lead learner for her A-MA-Zing attitude to her learning!

Grizedale

Sophia has had an outstanding week, always has her hand up to ask and answer question and works enthusiastically no matter what lesson she's in. Well done Sophia!

Nicky Nook

Adriana for being an amazing role model in all aspects of her learning. She also created a fantastic dog!

Join GARSTANG GATORS – Make a Splash with Us

- ✓ Taking swimming lessons at Level 5 or above and eager for more?
- ✓ Finished lessons and ready to continue improving?
- ✓ Playing another sport and looking to boost performance?
- ✓ Excited to make new friends and gain confidence?

Everyone is welcome – especially boys aged 8 and up for our team events!

WHY JOIN GARSTANG GATORS?

Garstang Gators is a friendly and welcoming club where swimmers strengthen, improve endurance, increase lung capacity and compete! Swimming is also a fantastic way to support rugby, football, netball, hockey, cycling and running!

TRY IT OUT – FIRST 3 SESSIONS FREE!

Join us for a free trial and see how much fun you can have in the water.

Our School Association Spooky
Disco is on Friday 17th October-
we hope you will be there!

Please could you send in sweet
packet donations next week so we
can make sweetie cones to sell?
Any kind of jelly sweets would be
perfect-thank you!
