*A small school with a big outlook...*

## A message from Mrs. Scholz

Last week, Mrs. Harwood, Mrs. Cole and I went to visit the YMCA Lakeside Centre on the banks of Windermere to see if it would be a good spot for our outdoor pursuits residential trip next year. It was A-MA-ZING! The

children can go paddle boarding, sailing and canoeing. There is a forest obstacle course with a swamp, a high ropes and low ropes course and we can try out ghyll scrambling! We didn't think we'd be able to find anywhere to match Dobroyd Castle but we have! We have booked our trip for June 2026. We need to say a very big thank you to Romilly's Mum Laura and her colleague David who brought an ambulance to school for us to investigate today. The children were SO excited and asked lots of very interesting questions. I think we have some paramedics in the making!

## News from our classes

### Bowland

Bowland Class have enjoyed a very arty week! They enjoyed looking at Christianity through Art and used oil pastels to draw their own Bible story. They started their new art topic all about flowers and used pen and watercolours to imitate the work of Henri Rousseau. Bowland Class LOVED learning about the job of a paramedic and Y1/2 wrote brilliant non chronological reports all about ambulances! They have been practising for Sports Day too!

### Grizedale

This week we have been planning and writing our own version of 'Journey' with our new character exploring a brand-new fantasy setting. We have loved sharing our ideas and using expanded noun phrases to make the reader see our setting in their heads when they read our writing. We are already loving how catchy and fun the songs are. We can't wait to find out even more about the play 'Rock Bottom!' Today, we have also enjoyed a visit from the ambulance service who have told us lots about emergency care and how they care for our local area!

### Nicky Nook

Year 5 have been completing their end of year assessments this week and it has been wonderful to see the progress they have made with their confidence. Nicky Nook loved cooking in our new classroom. We made Vietnamese summer rolls and Bombay potatoes which we had not tasted before. We have been exploring the benefits of eating a wide variety of vegetables in our diet. Our fiver challenge fair will take place on Tuesday 8<sup>th</sup> July and we are busy creating our business plans and making products to sell. We will be advertising our products next week.

## Lead Learners

**Bowland** Our Lead Learner is Aurelie for always challenging herself and trying her best in everything she does!

**Grizedale** Matilda is our lead learner this week. She has worked extremely hard in everything she has done and particularly impressed us during our English lessons this week where she went above and beyond to plan and develop her story ideas.

**Nicky Nook** Our lead learners this week are Heidi and Ava. It was lovely to see their collaborative learning in design technology. We loved their approach to food preparation. Well done!
