A small school with a big outlook...

A message from Mrs. Scholz

What a busy week! We had an A-MA-ZING time at our skateboarding workshop on Wednesday. It was great to see Sam again and to be able to practise the skills we'd already learnt and try out some new tricks. Sam and his team will be back to join us next year.

Our blinds. WiFi and interactive whiteboard will be fitted in the new classroom next week—Nicky Nook are very hopeful they will be able to move in properly from Monday the 23rd. We will also be having a soft play surface fitted below the climbing wall so it is safe to use again.

News from our classes

Bowland

This week in Bowland we have enjoyed learning how to skateboard and mastered awesome new tricks! We have been busy practicing our sports day races. Year 1 and 2 have been using imaginative writing to tell a story about a cave. Reception have enjoyed retelling the story of Goldilocks and the Three Bears. They have used their tricky words to write their own stories and sentences. In Big Maths this week we have beaten our scores and moved up!

Grizedale

We LOVED the skateboarding workshop this week. We recapped the skills that we were taught last year and then learnt some super cool tricks and spent time practicing stopping, turning and skating downhill! Our resilience and ambition during the workshop was outstanding and we really WOWed all of the teachers! We have also been working on our Art / DT project and created some amazing charcoal, cloth and thread artwork inspired by the land or sea.

Nicky Nook

We have had a lot of fun this week as we read a poem that is written in a Lancashire dialect. We have explored the poem through drama, freeze frames and hot-seating. We then wrote diary entries from two different character perspectives - one formal and one informal. We are really impressed with our writing skills and our ability to edit. We loved the skateboarding workshop on Wednesday and it was lovely to see our confidence improve!

Lead Learners

Bowland Our LL this week is Elliot for his amazing imaginative writing about a cave.

Grizedale All of our Year 4 students are lead learners this week. They have all shown great perseverance and a positive attitude while practising and completing their times table check. Well done Year 4!

Nicky Nook This week all of Nicky Nook are our lead learners. We have been so impressed with their resilience, hard work and progress. Each and every pupil has demonstrated how to be a 'Reciprocity Ranger' Well done Nicky Nook!
