Scorton News

A small school with a big outlook...

A message from Mrs. Scholz

We can finally share the news about how much the School Association raised at the Rose Queen Festival.

The final amount is £1486.50!

We are SO grateful to everyone who helped run the event or supported us by coming along—
THANK YOU!

We can also reveal that our end of year production is called 'Rock Bottom' and is set in the Stone Age! Please make sure you have the date in your diary as it promises to be a showstopping performance!

Lead Learners

Bowland

Our LL this week is Cooper. Cooper has been focussed all week and been working super hard in all of his lessons

Grizedale

Matthew is this week's lead learner. Matthew has worked INCREDIBLY hard in English and DT/Art and has been a role model for his table, with a great behaviour, attitude and perseverance.

Nicky Nook

Ted has written an amazing balanced argument this week and his writing stamina was fantastic. We also loved his fashion designs that he articulated clearly.

News from our classes

Bowland

This week in Bowland we have been retelling the story of Jesus' life, acting it out in the role play area. In RE we have made Jesus' village, we looked at how the food, buildings and toys may be different from today.

In PE we have been practicing for sports day.

Reception have been writing their own sentences, they have used all of their senses to describe what they might see, hear or smell.

Grizedale

This week, we have started our new Art and DT unit of cloth, thread and paint. We have been exploring different colours, sewing techniques and design ideas to create a themed piece of art in the theme of land or sea. On Wednesday, our resilience was really put to the text after we had to practise threading a needle and exploring different stitch types like running stitch and blanket stitch. In English, we have started a new story called Journey. It is really unique as it has no words!

Nicky Nook

In Nicky Nook we have been using our design skills to create fashion designs that remind us of the planet Earth. After studying colour, texture and form we explored how we could create our ideas for a fashion collection. In English we have written balanced arguments to discuss the question 'Is Macbeth a hero or villain?'
