*A small school with a big outlook...*

## A message from Mrs. Scholz

Thank you to everyone who sent in bottles and toys for the Rose Queen Festival tombolas—we are very grateful. If you haven't already, please do let us know if you are able to help on the day.

Our new Nicky Nook classroom should be finished next week—Mrs. Harwood has ordered all our new furniture and the floor has been put in today. The children are very excited about moving in. They are especially pleased about the air conditioning—Enola says they will be 'as cool as cucumbers' next half term! Nicky Nook had a yoga workshop this morning to help make sure everyone is feeling relaxed in preparation for the Y6 tests next week. We know they will ace them!

## News from our classes

### Bowland

In Bowland this week we have continued to learn about the history of our school, we have looked at the old and new parts of school and what the school might look like in the future. Year 1 and 2 have been on an artifact hunt around school and looked at old newspapers and diaries. In PE we have been learning new skills in tennis. Reception have been telling the story of the 3 little tigers and the big bad pig. In Big Maths we have been moving up and beating our scores.

### Grizedale

This week in Grizedale we have been working on our computer programming skills using Turtle Academy online. We have learnt how to write algorithms to successfully draw different numbers and letters and started discussing count-controlled loops. In maths, we have spent the week working on different money problems - adding different amounts, finding the correct amount in coins, paying with notes and finding change. We have also started writing our class newspaper report about Macavity and his most recent crimes!

### Nicky Nook

I loved the Yoga Workshop today. We did some warrior poses which I really enjoyed. It helped us control our breathing and feel more relaxed. We did some sun salutations which really stretched our muscles. The lady taught us some really good ways to help us stay calm when we are anxious.

## Lead Learners

**Bowland** This weeks Lead Learner is Lucas for his resilience and hard work in his phonics.

**Grizedale** Grizedale's lead learner this week is Fred. Fred has shown great active learning skills this week and given some great suggestions in class. He has particularly impressed us in French with his sticky learning. Keep it up Fred!

**Nicky Nook** This week, Isla is our Lead Learner. Isla has been a fantastic role model and talk partner, particularly with her information text about the Industrial Revolution. She has also shown resilience with her problem solving. Well done Isla!
