

Scorton News

A small school with a big outlook...

A message from Mrs. Scholz

Nicky Nook Class had the most A-MA-ZING few days at Robinwood's Dobroyd Castle Adventure Centre last week. The children took part in canoeing, raft building, archery, climbing and caving. They escaped the dreaded Piranha Pool and the dungeon through their fabulous problem solving skills and they braved the giant swing and a VERY long zip wire. Mrs. Harwood, Miss. Croston, Mr. Bookless and I were incredibly proud of them. They took such good care of each other, showed bucket loads of resilience and did everything with cheerfulness and enthusiasm. They were an absolute credit to their school and their families! Please see over the page for some photos.

News from our classes

Bowland

This week in Bowland we have been looking at the History of Scorton school, Dennis and Ruth came to talk to the children about what school was like when they were children and how it has changed from the past to the present. In English this week we have been retelling the story of The Three Little Pigs, creating story maps and acting it out in the role play corner and in the outdoor learning area. In PE this week we have continued to practice our Tennis skills. We have been moving up in our Big Maths and beating our scores.

Grizedale

This week in Art we continued to explore natural resources to make images and have been planning our final piece of work. In History, we went back in time to a Victorian classroom and learnt about the very strict rules teachers gave to children and had a go at following some of them! We have also enjoyed playing games to practise the four seasons of the year in French and have started our new computing unit using the software Turtle Academy.

Nicky Nook

To practise our drawing skills we went on location this week. After learning about perspective we drew our school landscapes with amazing results! In computing we designed logos to represent Nicky Nook class. You can see the results on our classroom door - they are amazing! We have been considering which character strengths we developed during our days away at Robin Wood. We think bravery, perseverance, teamwork, leadership and a sense of humour/gratitude were our top 5 skills. It was lovely to receive personalised certificates of achievement.

Lead Learners

Bowland This weeks LL is Ivy for her perseverance in her maths work, being super resilient and not giving up.

Grizedale Grizedale's lead learner is Rory. Rory has really stood out in class this week when contributing to group discussions. He has shared his ideas and explained his thoughts in great detail both in RE and in Maths when problem solving. Well done Rory!

Nicky Nook

Our lead learner this week is Eleanor. Eleanor has demonstrated a fantastic attitude to learning working hard and knowing when to ask for help. She has been an incredible talk partner. Eleanor has produced beautifully presented work. An incredible week of learning and all done with a smile. Well done Eleanor!

Friday 9th May

Non-Uniform Day

Bring a donation for the Rose Queen Festival
