A small school with a big outlook...

A message from Mrs. Scholz

It has truly been a whirlwind of a week. We got our OFSTED call on Monday morning and I don't think our staff slept until Wednesday night!

We are not allowed to share the outcome with you until the report is published but I can say that we are very pleased. Your children made us SO proud—they were absolute superstars (as they always are!) They were very pleased to have the chance to show off our school.

We are also very grateful to everyone who took the time to complete the parental survey—OFSTED rarely get such a high response rate. We don't get to see the comments parents and carers write, just the overall ratings but the Lead Inspector shared some of them with us and we were really touched—thank you! We can't wait to share the outcomes with you!

News from our classes

Bowland Class

We've had a very busy week in Bowland! KS1 can retell the story of Supertato and have started writing sentences to add in their stories next week. We have been working on, adding and subtracting in Maths - they have really impressed us! EYFS have been investigating ice and using lots of interesting words like icy, frozen, shimmering. They have been retelling the story Stickman and writing letters to him. We are so proud of all the children in Bowland!

Grizedale

We have had such a busy week in Grizedale class this week! We have been learning and performing our English poem - 'The Spider and the Fly', learning how to do multiplication using arrays and the grid method, creating artwork inspired by Inbal Leitner, starting our cheerleading lesson as well as continuing reading our class novel, 'Charlotte's Web'.

Nicky Nook

This week has been very busy. The OFSTED Inspectors came in and spoke to us about different subjects and school life. In History, we have been thinking about Ancient Greece (Athens and Sparta) and what makes a good leader. In our class novel we have been reading 'The Nowhere Emporium'. In PE we did handstands and lots of us managed to do it! Benj, Holly & Piers

Lead Learners

Bowland Class: Sophia is our Lead Learner this week! She has been an excellent role model and showed our visitors what amazing learning she has done. We are super proud!

Grizedale Class: Grizedale's lead learner this week is Matilda. Matilda has been such an ambassador for our school this week. She has shown off her amazing sticky learning across all subjects as well as being a great role model for her behaviour, attitude and confidence. We are very proud of you Matilda!

Nicky Nook Class: Our lead learners this week are Nicky Nook class. We are so proud of you and it is a pleasure to teach you. You are incredible role models around school and in the wider community. Well done Nicky Nook!
