

# Scorton News

*A small school with a big outlook...*

## A message from Mrs. Scholz

The end of term is in sight and everyone is very excited about our Christmas activities next week. Please see our 'Dates for your Diary' section over the page and our latest Facebook post if you need a reminder of what's going on. We hope to see you at one of our Christmas performances on Thursday—the School Association will be selling refreshments and we will be having a collection towards the cost of the production so please bring some money!

## News from our classes

### Bowland Class

Bowland have been very busy getting ready for Christmas this week! We have been learning new songs for our Nativity, wrapping presents for father Christmas, making cards and Christmas crafts and recapping all of our geography learning! Year one and two are super confident in naming features of a castle, and naming continents!

### Grizedale

This week we have been perfecting our signing and acting for our nativity performance! We have done lots of work on expression and making sure our volume is loud enough for people in the back of church to hear us. We are really working together as a team to cheer each other on and support each other whilst learning lines and lyrics. On Wednesday afternoon, we had a sketchbook afternoon in Art and completed an artist study on Heather Hansen, who is an artist who uses charcoal and her whole body to dance whilst creating some very interesting art!

### Nicky Nook

We have had a very busy week in Nicky Nook and our nativity play is looking amazing! On Tuesday we made cards for the loneliness project as we aim to bring some cheer to people in January.

## Lead Learners

**Bowland Class:** Lead learner this week is Sidney who has been so sensible, very creative in Christmas workshops and has been a fantastic friend.

### Grizedale Class:

Lead learner this week is Harrison for being a brilliant role model for other children. He has WOWed all of the teachers with his expression and volume in church this week and has been excellent at following rules, sharing ideas and being ambitious with everything he does.

### Nicky Nook Class:

Sophia is an excellent role model to our class and the rest of school. She always works hard and demonstrates fantastic learning powers. This week she has demonstrated her ability to constantly improve as she listens to feedback and adapts her learning. Well done Sophia.
