A small school with a big outlook...

A message from Mrs. Scholz

We have had a very festive week. Nicky Nook had a wonderful time with Crafty Diane at Bridge House Marina on Wednesday creating some beautiful Christmas mugs— we know if you find one under the tree on Christmas day, you'll be delighted!

Bowland Class enjoyed a Victorian Christmas at Judge's Lodgings in Lancaster on Wednesday. They found out how Christmas was celebrated in the past and got the chance to see what kinds of toys Father Christmas might have delivered in those days.

Parts for the play have been given out and we are starting to rehearse in earnest. We hope you will be coming to join us on Wednesday 18th December. We have a performance at 2pm for Grandparents, Aunties, Uncles and wider families and then at 6pm for parents, carers, brothers and sisters. We hope the two performances will mean that everyone is able to get a seat and a good view when they come. Please do let us know if anyone who will be attending to see your child has mobility problems so we can make sure they are comfortable.

News from our classes

Bowland Class

We've had a MAGICAL week in Bowland. We saw Father Christmas at Judge's Lodgings. He told us all about what Victorian children had in their stockings and why. In the school room we made a cornucopia to hang on our tree. In the kitchen we learnt how to make Christmas pudding and where all the ingredients come from. Finally we played Victorian games like hide the egg and four corners. It was lots of fun!

Grizedale

This week we have started rehearsing for our nativity. The teachers have been so impressed with how well we are singing the songs already and lots of us know most of the words without looking! We have also been doing our final projects in Computing using Scratch. We have created our own bands and sequenced the sounds from a variety of instruments as well as thinking about a backdrop, costumes and movements.

Nicky Nook

This week we went to 'Crafty Dianas' to paint mugs. We created some beautiful designs and saw how they are glazed and fired. We have all been given our parts in the nativity and are very excited to start rehearsing. We have started our independent write based on 'The Nowhere Emporium' We have really enjoyed the reading and our writing is incredible!

Lead Learners

Bowland Class: Lead Learner this week is William. He has had an excellent week of learning and is a fantastic role model to the other children. He was a superstar on our trip.

Grizedale Class: Grizedale's Lead Learner this week is Oscar. Oscar is new to our school and has taken all of the new rules, routines and changes in his stride! He has worked so hard on his sticky learning assessments and has been noticed by multiple staff members for his effort in nativity rehearsals.

Nicky Nook Class: Holly is an incredible role model for Nicky Nook and the rest of the school. She is always smiling and ready to help anyone! Holly demonstrated fantastic hockey skills this week and she is a fantastic team player. Her writing was incredible and demonstrated the hard work she put into it. Well done Holly.
