*A small school with a big outlook...*

## A message from Mrs. Scholz

We are very grateful to everyone for their patience this week while the church drive was closed. We were only informed the afternoon before the closure so please accept our apologies for the short notice. The tree surgeons will be back on Saturday 16th November to complete the job so hopefully there will be no more inconvenience.

Thank you to everyone who kindly sent in money for poppy merchandise—we will let you know how much we have raised.

Our Teddy Name Draw for Children in Need will take place next Friday (15th) so if your child has not yet entered, please make sure you send in £1 next week. You have to be in it to win it!

## News from our classes

### Bowland Class

In Bowland we have been writing instructions, we made some delicious bread and created our own Autumn soup recipe. We have been working hard in our fix it time in maths, practising doubling and halving, number bonds to 10 and fact families. In PE we are creating a dance about The Three Little Pigs, thinking about how each character travels and jumps.

### Grizedale

This week in Grizedale class we have started our 'schools linking' journey. We have enjoyed looking at and exploring our partner school's website and comparing our school life to theirs. We particularly liked their idea of having a 'yummy day', where we all bring treats into school! We have thought about how to build relationships with new people and made bunting to send them showing our names and what makes us happy!

### Nicky Nook

Nicky Nook have had an incredible week of learning. We have started to read 'The Nowhere Emporium' and have been discussing our first impressions of the characters. On Monday we designed and created prototypes for our safety belts that enable us to be seen on the roads. On Thursday our new hockey equipment arrived and we had our first lesson - it was fantastic!

## Lead Learners

### Bowland Class:

Harry is this weeks lead learner. We have been looking out for children with good listening this week and Harry has been an amazing role model. He is always ready to listen and always tries his best with his work.

### Grizedale Class:

Sophia is Grizedale's lead learner this week. Sophia is always an active learner in class - she always listens well in class and tries her best across all lessons - striving to complete the more difficult challenges! She is also never afraid to get things wrong and will always volunteer her thoughts and ideas in class discussions!

### Nicky Nook Class:

Betsy R is a resilient learner who has been determined to conquer equivalent fractions this week! She always works with a smile and has produced some fantastic sentence structures. Well done Betsy.
