## A message from Mrs. Scholz

Bowland Class had the best time on Wednesday with their friends from Bluebell Class at Calder Vale when they went to visit Brockhole Visitor's Centre on the banks of Windermere. It was a perfect autumn day and the children had a lovely time looking for signs of autumn and exploring the beautiful setting. Mrs. Pollitt and her staff team were SO proud of Bowland Class. The children behaved beautifully and showed what independent, curious and resourceful little learners they are.

We were very pleased to welcome Canon Peter Ballard to school this week to lead worship. Peter is the new priest in charge at St. Peter's and will be working together with Rev. Michael to lead weekly worship for us.

## News from our classes

### Bowland Class

We went on our school trip to Brockholes. First we went on a big, white bus. Next we went on a sunny walk. My lunch was delicious! Then we painted a picture of a squirrel. Then we made a picture out of sticks. Finally we went back on the bus. By Ivy Grizedale

Grizedale Class have created some beautiful pieces of art this week using charcoal. At the start of our week, we listened to different genres of music and explored how they made us move and impacted the way our sketch books looked at the end of the song. We loved 'You can call me Al' as it has a steady beat to follow! We also worked with a partner on a 'community drawing' where we had to share our ideas to create a cohesive piece of work that used the ideas of both people in the partnership. We created landscapes, abstract patterns and fantasy lands using lots of the charcoal techniques we have learnt in our art lessons this half term. On Thursday, we finished our class book of 'The Land of Roar' and were all super satisfied with the ending after weeks of predicting, inferring and wondering what would happen. It has made lots of us want to read the next book!

### Nicky Nook

We started this week with science experiments to explore whether materials were soluble or insoluble. We created a salt solution by saturating water with salt and we are waiting to see what happens! We have continued to develop our multiplication skills. In English we have written a diary in role as Prince Llewelyn and practiced story-telling by using a text map. Our football skills are developing well - especially our dribbling!

## Lead Learners

**Bowland Class:** Lead Learner is Cordelia, she is amazing at completing all her challenges and is such a kind friend.

**Grizedale Class:** Lead learner this week is Nikita. Nikita has had a great week and has been such an active and busy learner! Though he is often our 'secret expert', he has been working even harder this week to show off his learning to the teachers and children in the class. He has shared his ideas in Maths, written some brilliant sentences using subordinating conjunctions and has produced a fantastic evaluation of his bridge in DT.

**Nicky Nook Class:** Our lead learner this week is Isla. She wrote an incredible diary in role as Prince Llewelyn. Her kung-fu punctuation and learning using the text map were fantastic. I have also been impressed by her resilience and hard work in target time to master new skills. Well done Isla!
