A small school with a big outlook...

A message from Mrs. Scholz

Bowland class had a special visitor this week. Jungle John came to visit and brought all kinds of interesting creatures for the children to see. He was SO impressed with the knowledge the children already had and with the thoughtful questions they asked.

You may have heard from the children about the 'golden glue stick'! We opened a box of glue to find it along with a golden ticket giving us £2000 to spend on resources. We shared the money between our 3 classes and lots of lovely things have been arriving this week. Special pens, art equipment, a wonderful colour changing sensory water table and some truly beautiful books.

News from our classes

Bowland Class

This week in Bowland we have been searching for signs of autumn, we had fun counting the conkers in the playdough and looking for autumn leaves. We have continued writing about a perfect pet and which pets we wouldn't choose. We decided we didn't want a pet tiger because it might eat us! In PE we have been practising our kicking and rolling.

Grizedale

This week in DT we built some amazing paper bridges and tested them with pennies. We used some of our ideas from our first draft but made them stronger using the different strong shapes we have learnt about. In Art, we have continued exploring charcoal and became Stone Age people for the afternoon, using textured paper and the dark to experiment with our artwork. We continued to impress the teachers at swimming with our resilience and perseverance as group 3 used the deepest part of the pool to practice their back stroke!

Nicky Nook

We have read the 'Legend of Gelert' this week and have been collecting vocabulary to use when writing a legend. Our 'Legend Mirror' helped us to get into role as characters from the story. We love maths target time and have improved our calculations in addition and subtraction. In Geography we have worked in groups to research biomes. Next week we are going to build a biome and present our work to the rest of the class!

Lead Learners

Bowland Class:

Nelson has made amazing progress since starting Year 1. His name has been mentioned by all the teachers in Bowland for super writing and maths. Mrs Scholz also said how fantastic his reading was!

Grizedale Class:

Alfie has been such an active learner this week and has impressed us with his ambition to get better with each try. He has produced some brilliant pieces of work - particularly in Computing when writing his Story of David from the Bible.

Nicky Nook Class:

Nathan is working very hard in every subject. He is a role-model year 5! I love his enthusiasm for reading and the reading habits he has developed. Well done Nathan!

Scorton School Association

Spooky Disco

Friday 18th October
6.30 - 8pm @ Scorton
Village Hall

Tickets £3

Please purchase from the school office
or on the door
