*A small school with a big outlook...*

## A message from Mrs. Scholz

It seems that autumn is well and truly here, there is definitely a chill in the air! Bowland Class are looking forward to their trip to Brockhole Visitor's Centre in the Lakes for 'Brock's Autumn Amble'. A day of exploring the local plants and animals and thinking about how the changing seasons affect them.

All three of our classes will be off to Crafty Diane's Art Studio at Bridge House Marina later this term to paint some pottery and see how it is glazed and fired. We are hoping to make some special Christmas gifts which you might be lucky enough to receive!

Our Harvest Service, led by our new worship club, will be at the Methodist Chapel on the morning of Friday 18th October—we hope you will be able to join us.

## News from our classes

### Bowland Class

This week we have been learning all about animals and how to group them. There are mammals, reptiles, amphibians, birds and fish. We sang a song to help us remember. We have learnt how to log on to our computers and know why it is important to keep our passwords safe. By Eve Grizedale

In Science, we became Geologists and classified different rocks around school using our criteria and knowledge of how they are formed. In DT, we have started our structures unit and worked in pairs to group different bridges by their shape, colour, materials and strength. On Monday, Miss Taylor invited Mrs Scholz and Mrs Pollitt to see our brilliant charcoal artwork inspired by an artist named Laura McKendry. In Maths, we have been learning how to practise tell the time to the minute and learning fun songs!

### Nicky Nook

This week we have written our own poems based on 'The Kraken' We will publish our poems on the school website soon. In maths we have been conquering the skill of rounding. We have been rounding 6 and 7 digit numbers to the nearest 10, 100, 1000 and 10, 000! Everyone loved developing our drawing skills in art. We used a tutorial by the artist Paul Carney to help us draw 3D-shapes. Nicky Nook created beautiful letters as we studied the art of typography. An incredible week of learning!

## Lead Learners

### Bowland Class:

This week Bowland lead learner is Henry, he has whizzed through his maths work and has had amazing behaviour for learning .

### Grizedale Class:

Grizedale's Lead Learner this week is Lily - she has not only been working so hard on all her new challenging work this week but has also been really trying to ensure she presents her work correctly and uses beautiful handwriting. Keep it up Lily!

### Nicky Nook Class:

Eleanor has produced a beautifully presented dragon poem in English this week. She works hard in every subject and delights everyone with her smile. Well done Eleanor.

**WE NEED YOU**

**WE NEED YOU**

**WE NEED YOU**

**Could you be our new Chairperson?**

Jen's fantastically successful term as Chairperson of our committee has come to an end and we are looking for someone who can take the reins and co-ordinate events for this year. The Association has raised thousands of pounds for us and enabled your children to do so many special things we wouldn't have been able to do otherwise. Please get in touch if you would like to have a chat about the role!
