A small school with a big outlook...

A message from Mrs. Scholz

It was lovely to have our school family back together again on Tuesday.

Everyone looks so smart in their uniforms!

The children have come back after their holidays, bright eyed and bushy tailed, and have got stuck into their learning with enthusiasm.

We are delighted to welcome Cora to Bowland Class in Y1 and Dougie and Alfie to Pre-school.

We are also very pleased to welcome Mrs. Cowling to Nicky Nook and Miss. Fontanelle to Grizedale.

We have already got lots of exciting things lined up for the term—Christmas is only 110 days away (can you believe it!!) Please check our 'Dates for your Diary' so you know what's on!

happy weekend

News from our classes

Bowland Class

'I liked writing and playing in the blocks. I learnt how to write my name.' Tilly

'I loved making a farm and counting'. Aurelie

Grizedale

What a fantastic first week in our new classroom! We are already so proud of our new class team and have achieved lots already.

On our first day, we each created our own 'Magical Yet' to help us face new challenges throughout the year and have started our myHappyMind journey learning about Team HAP and neuroplasticity. In Science, we have been learning about the 3 different types of rocks and found a way to model how each rock is formed using Starburst sweets! In PE, We started Netball and loved practising our chest passes with different fun games!

Nicky Nook

Mrs Harwood has been so impressed with Nicky Nook this week. They have demonstrated exceptional listening skills, behaviour for learning and friendship towards each other. We have been learning the poem 'The Kraken' Using a text map we can recite it from memory! We were very excited to collect our brass instruments on Tuesday and we cannot wait for our first lesson. In Maths we have been working on our targets and place value. In PE we played rounders and then were transported to Ancient Greece in History.

Lead Learners

Bowland Class: This weeks lead learner is Elliot. He is such a resilient rhino and loves a challenge. He has been such a fantastic role model to the younger children in the class. He has read beautifully and is becoming such a fluent reader.

Grizedale Class: Matthew has had a great start to the year in Grizedale Class. He is already showing so much resilience and has been a great active learner this week. He has put 100% effort into all the work he has done. Well done Matthew!

Nicky Nook Class: Adriana has had an amazing week working hard in every subject. Her target work shows her amazing attitude to learning and improving. We are really glad she has joined Nicky Nook.
