*A small school with a big outlook...*

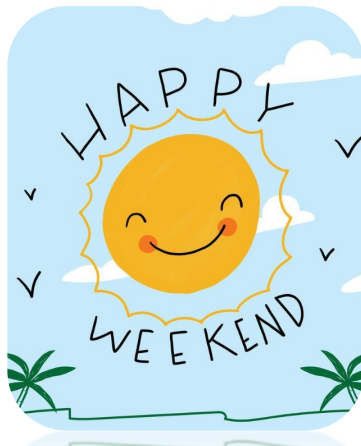

## A message from Mrs. Scholz

## News from our classes

It has been lovely see everyone back at school again after their Easter break. We can't believe we are already in the Summer term—where has the year gone! We will be setting dates for Sports Day, our end of year performance and other exciting events very soon so please keep your eye on our 'Dates for your Diary' page.

It was great to see so many of you at our Parents and Carers Evening—our teachers are very grateful for all the positive comments they received. We are very lucky to have such supportive families.

**Bowland** This week Bowland Class have enjoyed thinking about how they are unique and drew super sketches of themselves. KS1 compared how people of different faiths care for each other and enjoyed reading Psalm 8 from the Bible. They began their new music topic and played the notes on the glockenspiels so skilfully! EYFS strengthened their core muscles through music and dance with Miss Dawson and created super dances outside. KS1 and Reception enjoyed their first tennis lesson with Coach Harry and showed great concentration and perseverance. Preschool loved playing parachute games with Miss Byatt and Miss Dawson, taking turns and counting too! Reception had great fun writing magic letters and words on the interactive whiteboard with Miss Dawson- in sand, rainbows and even graffiti!

**Grizedale** We have had a busy first week back in school! We started our new topics of Sound in Science, Festival Feasts in Art and Vikings in History and have started learning about money management in PSHE. In English this week, we have been writing character descriptions for Lana from the story The Day I Fell Into a Fairytale and WOWed the adults in class with how much we had remembered about the story over half term. We are very excited for next week when we will be starting our swimming lessons at Lancaster University!

**Nicky Nook** This week we have started our new novel 'The 1000 year old boy' There are two characters who are narrating the story from two very different perspectives! In maths we have been learning how to find the mean, mode and range of a set of data. We loved discussing challenges we have faced after reading 'Aaron Slater - Illustrator' We created positive affirmations to help us overcome challenges.

## Lead Learners

**Bowland-** Anaya is blowing everyone away with her writing this week. Her handwriting is so neat with perfect small and tall letters. She is spelling words using her sounds mat independently and even able to use these in a sentence. She has read beautifully every day and really worked hard on her turns in Maths. Anaya always shines for being a kind and caring friend to everybody.

**Grizedale-** Lead learner in Grizedale class this week is Cooper. Cooper has been showing great determination in lessons this week particularly in reading. He also really stood out during our performance of the poem, 'The Owl and the Pussy-Cat', where he carried on performing despite others forgetting the lines. Well done Cooper!

**Nicky Nook—** Nathan is the lead learner for Nicky Nook this week. He has worked incredibly hard with his reading comprehension. Well done Nathan!
