Scorton News

A small school with a big outlook...

A message from Mrs. Scholz

News from our classes

We hope you have been enjoying the sunshine this week as much as we have! The children have been able to play on the grass for the first time this week which they have been very pleased about! We hope the sun will keep shining now for the rest of the summer term as we have lots of exciting events coming up. Please check the 'Dates for your Diary' section over the page to find out when Sports Day will be and our Summer Performance. They'll be here before we know it!

Bowland This week Pre-school have been singing a new nursery rhyme- Little Bo Peep! Darcy was a great teacher and taught Pre-School" Baa Baa Rainbow Sheep !" Reception have really impressed us all with their phonic spelling this week- so many super sentences about dragons, sheep, spring... Reception definitely have the writing bug. In Maths Reception have been practising calculating within 10 and finding half of an amount. KS1 have had great fun retelling their new text George and the Dragon. There are lots of exciting special words to act! Everyone has enjoyed "Share a Story" time in the afternoon where our KS1 children read a story to EYFS. We can't believe how everybody's intonation and prosody is improving. So many confident children reading aloud to the class too! In Maths KS1 have loved using our provision to playfully learn all about length, capacity, mass, shape and money. What a busy week!

Grizedale Grizedale class have been so busy this week. We have been learning all about our world and how we can make it a better place. We have discussed the 'Golden Rule' and how it impacts the way we live and how it impacts the rest of the world. We have made beautiful posters to show our own interpretations of the rule. We have also looked at how Jewish people practise 'Tikkun Olam' (repairing the world), and how the World Jewish Relief charity aids people around the world, from both natural disasters and also social injustices.

Nicky Nook It has been a busy week in the Nicky Nook classroom! We explored how colour palettes evoke emotion and reflected on our personal reactions to different shades. Our focus in rounders was on teamwork and sportsmanship, we have made great progress in our throwing and batting skills. We are thoroughly enjoying The 1000-Year-Old Boy, using the novel to compare historical eras with the modern day. In maths we have been plotting coordinates and practicing shape transformations.

Lead Learners

Bowland- Nancy has been a role- model in every way this week. Kind, sensible, happy and SO hardworking. Her reading is soaring and she is reading super long texts now! Her handwriting and spelling is also blossoming- well done Nancy!

Grizedale- Grizedale's lead learner this week is Harry W. Harry really impressed the adults in class this week with his 'sticky learning' knowledge in RE. He has had his hand up for every question and has had so much to offer to our class discussions. Well done Harry!

Nicky Nook— Lily has worked incredibly hard this week. She has demonstrated excellent learning behaviour and has constantly tried to improve. Well done Lily!
