Scorton News

A small school with a big outlook...

A message from Mrs. Scholz

News from our classes

Bowland

This week Bowland Class have enjoyed learning about the fruits of the spirit in R.E. They have talked about how they are kind, honest and humble and created their own images of the holy spirit. They also talked about how we should take care of God's world and explored how other faiths care for our world. Do you know that Jewish boys and girls have a new year for trees? It is called Tu B'Shvat and it marks the new year for fruit bearing trees. Cora shared a lovely book from home all about caring for our planet. The children have loved learning to sing songs from Jack and the Beanstalk- EYFS sound like very menacing giants so you had better watch out!

Grizedale

Grizedale Class have been busy this week working on our toolkit for writing. On Tuesday, we explored lots of vocabulary using 'say it, write it, define it, act it!' and took some fantastic photographs to help us remember the meaning of some unfamiliar words such as tranquil, recluse and remarkable. On Wednesday, we used our toolkit for writing and some of our new vocabulary to write some brilliant setting and character descriptions. In Geography this week, we explored France! We took part in a research relay to find out all about the country and learnt about the human and physical geographical features such as its capital city, important landmarks, currency and the languages spoken there.

Nicky Nook

Nicky Nook have been using branching diagrams to identify vertebrates and invertebrates this week. We then took our learning to create our own branching diagrams to identify new animal species. In English we have created our own objects of immortality that we will use in our story-telling.

It's a little while since our last newsletter and I haven't had the opportunity to tell you about our YMCA Lakeside trip! Despite the truly awful weather (it rained non-stop for the first 2 days!), the children had a fabulous time. Our Nicky Nook children threw themselves into every activity with bravery, enthusiasm and determination. Mrs. Harwood, Miss. Croston and I were so proud of them. Not only of the resilience they showed, but also the kindness and encouragement they offered to everyone else, not just their Scorton friends, but new friends from Calder Vale School. The children were a credit to their school and their families!

Lead Learners

Bowland- Aurelie- for simply shining in all of her learning. Aurelie is so ready for Year 2 and a wonderful role-model- she shows the Fruits of the Spirit every day! She especially shows kindness, patience and self control. Well done Aurelie!
Grizedale- Sophia always gives 110% effort into everything she does in school and is a brilliant role model. She has been pushing herself as a writer and is showing off fantastic writer's flare whilst applying our writing toolkit and additional year 3 and 4 skills and has produced outstanding writing this week!
Nicky Nook— Matilda G is our lead learner this week. Matilda always works hard and is a fabulous role-model.
