A small school with a big outlook...

A message from Mrs. Scholz

Our KS1 children went to Fleetwood Marine Hall on Wednesday to represent our school in the Bookfest Dance Festival. We performed a routine inspired by 'Room in the Broom' in front of a packed audience. Mrs. Nickson's dancers did a truly amazing performance and we are very proud of how brave they were and how well they looked after each other. Amelia, Matilda G and Sophie from Nicky Nook went to Kingston University in London this week to take part in the national grand final of the Code Jam Competition. It was a massive achievement to get into the final and They were fabulous ambassadors for our school.

News from our classes

Bowland

Wow what an exciting week! KS1 children wowed the audience with their amazing dance performance - well done everyone! You were all superstars! EYFS have worked so hard to master their number skills - so much brilliant subitising, sharing and comparing of numbers! Reception children have worked so hard sketching, collaging and painting beautiful flowers. They also talked about how baby animals change over time . Leo said " a tadpole changes into a frog." We were very excited to welcome Ophelia into our class today too!

Grizedale

Play rehearsals are well underway! We have been showing off our expression, intonation and volume whilst reading our lines and singing the lyrics to our songs. In English, we have been showing off our non-negotiables for writing whilst writing letters to tell a new pupil all about Grizedale Class or writing to Mrs Harwood to ask her some questions about next year. In Maths, we have been revisiting our learning for the year and WOWed the teachers with our sticky learning.

Nicky Nook

Today some of our year 6 children took part in Bikeability sessions to ensure they are safe when riding on the roads. This week we have been rehearsing how to use our voices to tell an exciting story. We have used fluency, volume, intonation and expression. Our rehearsal are in full swing now and we have some super enthusiastic pirates and mermaids!

Lead Learners

Bowland- Anaya has had the BEST smiley week of learning. She has been a super confident learner and shown lots of resilience every day. Well done Anaya- we are super proud of you and love to see your smiles!

Grizedale—Lead learner this week is Evie. Evie is an amazing role model for Grizedale Class and is always doing the right thing. She encourages other children to be their best and is supportive, reflective and helpful.

Nicky Nook— Lily has had a fantastic week of learning. After completing her reading book she scored 100% in her reading quiz. Her behaviour for learning has been exceptional. She is creating a poster to help everyone remember the difference between perimeter and area.
