A small school with a big outlook...

A message from Mrs. Scholz

Our choir were delighted to have Michael Cosgrove, the Creative Director of the Last Choir Singing Competition, visit them on Wednesday to do a singing workshop with them. We saw Michael and his friends perform at the competition last year so we were all a bit starstruck. The children had a wonderful time and Michael gave them lots of useful tips which we are going to put into practice when we compete in our heat at Fleetwood Marine Hall on Tuesday 3rd February.

Tickets go on sale at the start of February and this year there will be audience voting!

News from our classes

Bowland

This week Bowland Class have practised letter formation and super sentences! They have innovated Polar Bear Polar Bear and loved using the puppets to create their own stories. Reception drew some amazing story maps! In Maths Year 2s have mastered subtraction with exchange whilst Year 1s have applied their addition and subtraction skills to word problems. Our reasoning about how we solve calculations improves every week. We have began our new Art topic, learning all about Vincent Van Gogh. We used our sketchbooks to appraise his artwork and describe what we liked. We are excited to paint expressively next week!

Grizedale

This week Grizedale Class have been learning about Paul Cezanne. He is a still life artist so we have been creating lots of still life sketches, drawings and paintings of everyday items! In English, we have been learning the storm setting description in The Mousehole Cat and have created some amazing story maps to help us remember. We can't wait to innovate and then write our own versions next week! In RE, we have been learning about the Jewish celebration Rosh Hashanah, we enjoyed trying apples and honey - a traditional treat during the Jewish new year.

Nicky Nook

Nicky Nook have been working really hard on their computer programming skills this week. They have managed to design and create a game with amazing results! We met the scarecrow in 'The Wizard of Oz' and we looked at the features in writing that tell us which character has written it. We love our book 'Aaron Slater Illustrator' that we are using as part of our new PSHE curriculum.

Lead Learners

Bowland Laith - for working SO hard in each and every lesson. Laith has made particular effort in improving his reading, spelling and handwriting. Awesome Laith!

Grizedale Grizedale's lead learner is Elias. Elias has put lots of effort into all his work this week! He has been asking for help when he has needed it but has still been super resilient. In addition to this he has really taken his time in art to produce a beautiful piece of work!

Nicky Nook Lily has worked so hard this week. She is constantly finding new books to add to our top 100.
