A message from Mrs. Scholz

News from our classes

We hope you have all had a relaxing summer! It is lovely to have our school family back together again.

Everyone has returned to school bright eyed and bushy tailed and eager to get stuck into their learning. We have been very pleased to welcome some new faces too—Syd in Pre-school, Henrique and Florence in Reception, Poppy in Y2, Moses in Y3 and Eva in Y4!

Grizedale Class have also got a new teaching assistant joining the class team—

Miss. Lamoury will be working together with Miss. Taylor, Mrs. Taylor and Mr. Robinson.

Bowland What an exciting week of learning! Our classroom has been buzzing with discovery as we've journeyed through the animal kingdom, spotting resilient rhinos and reciprocity rabbits along the way. We've had a wonderful time diving into Dear Zoo and The Perfect Pet. In Maths, we've been detectives with numbers, breaking them apart to understand tens and ones—it's like discovering the secret code hidden inside every number! Meanwhile, our bodies have been getting stronger too as we've practiced our skipping and perfected our over arm throws.

Grizedale Grizedale Class have gotten stuck into all of their learning this week! In Science, we had our first lesson all about light and conducted an investigation to find out which materials would block out the light best and had lots of fun building and testing dens! In Art, we explored the art style of Laura McKendry and created a first draft of a charcoal dog in her art style. We carried on our netball lessons in our Thursday PE lesson and learnt more about the skills we will need to play a netball match.

Nicky Nook We have had a busy week of learning in Nicky Nook. In English we have been studying the Jabberwocky poem by Lewis Carroll, I cannot believe how many children can recite it from memory already! In science we have tested the properties of materials and loved talking like scientists. Despite the rain, we practiced dribbling and passing the ball in hockey and we cannot wait for our lesson next week. On Thursday we had our first singing lesson with Michael. Nicky Nook are demonstrating excellent learning for behaviour and everyone has settled into our routines so quickly. Well done Nicky Nook!

Lead Learners

Bowland- Lead Learner this week is Poppy. What an amazing first week at Scorton School!

Grizedale—Lead learner this week is Moses. Moses has had an excellent week! He helps others without being asked, is always ready to learn, is organised and like a learning sponge! Well done Moses!

Nicky Nook— The lead learner for Nicky Nook this week is Elodie. Elodie reads every night and has surprised herself with how amazing she is! Her behaviour for learning is outstanding in every lesson and she is a fabulous role-model. Well done Elodie!
